

Michelle Houston's
printable backlist

Last updated: 12/6/2008

I would like to ask if you order any of the print anthologies from Amazon, or any of the EroticTales anthologies (print or e-book), that you do so through links on my website. I don't receive royalties from them.

There may be a few other places where the e-books are available, but I tried to list just the bigger ones that more people would be familiar with.

Whiskey Creek Press – Torrid
<http://whiskeycreekpresstorrid.com>
